Optional equipment has additional weight as specified in the technical guide of the catalogue, and is to be deducted from the payload.

If the accessories are not shipped together with the motorhome, the transport price will be added to the public price.

This document is an addition to the commercial catalogue. The manufacturer may make technical changes to its models at any time. Information is not contractual. This price list is subject to change without notice. Invoicing is done according to our General terms and conditions of sale.

Any accepted special requirements will be invoiced at a minimum of 300€ excluding VAT for administration costs.
